EARN CREDIT FOR MUSIC BY EVERYDAY SHOPPING

✧ Benefits of Shopping Rewards ✧

*Music takes an ordinary education and transforms high school into a time of enhanced spiritual, intellectual, and artistic growth. The cost of tours and the demands of fundraising can strain a family's financial and time budgets. Use the HCA Shopping Rewards Subscription service to raise money by doing what you do every month: **shop.***

EARN UP TO 5%

5% of all family's groceries and gas can add up to big credits for your student's Music activities. A family that usually spends \$1,000 a month can raise **\$500** in just ten months.

Fundraising Account credits are by subscription only. To participate, complete an order form for the school year and write post-dated cheques for each month. Your gift cards will be available for pick up at the school office.

SUPPORT GENERAL PROGRAMS

If you don't have a student participating in Music, support our

general programs. Funds go to tour bursaries or instrument purchases.

SPECIAL AND SEASON ORDERS

Order gift cards from a selection of Canada's favourite retailers and restaurants. Christmas orders must

be in by Nov 20th. Large volume special orders can be arranged year-round.

Budget Spending
 By pre-ordering gift cards for groceries and gas, you can effectively budget household spending. Gift cards come in convenient denominations, so if you plan to spend \$250/week on groceries, you can order one card for that amount for each week of the month. Eliminate overspending by carrying gift cards instead of using debit or credit cards.
